

## Safety Data Sheet

according to 91/155/EEC

<b>1. Product identification/preparation/company undertaking</b>	
<b>Product details</b>	
<b>Trade name:</b>	<b>A-TRANSBITE</b>
<b>Manufacturer/supplier:</b>	S&C Polymer GmbH, D-25335 Elmshorn
<b>Emergency information:</b>	Dr. Jürgen Engelbrecht ++49 4121 483-0
<b>2. <u>Composition/Information of Ingredients</u></b>	
<b>Chemical characterization:</b>	Mixture of polydimethyl polymethyl vinyl siloxane, polydimethyl polymethyl hydrogen siloxane, silica and paraffine
<b>Description:</b>	
<b>Hazardous components:</b>	None
<b><u>CAS-Nr.:</u></b>	<b><u>Name</u></b>
	<b><u>%</u></b>
	<b><u>R-classification</u></b>
<b>3. <u>Hazards identification</u></b>	
<b>Risk identification:</b>	
<b>Special risks for human beings and environment:</b>	None
<b>Classification:</b>	Classification corresponds to actual EEC guidelines
<b>4. <u>First-aid measures</u></b>	
<b>General information</b>	
<b>after skin contact:</b>	wash with plenty of water and soap
<b>after eye contact:</b>	rinse with plenty of water and consult a physician
<b>after swallowing:</b>	seek medical advice immediately
<b>5. <u>Fire fighting measures</u></b>	
<b>Extinguishing media:</b>	CO <sub>2</sub> , water
<b>Protective equipment:</b>	

## Safety Data Sheet

according to 91/155/EEC

### **6. Accidental release measures**

**Personal precautions:**

**Environmental precautions:**

**Methods for cleaning up:** wipe out with absorbent material

**Additional information:**

### **7. Handling and storage**

**Handling:**

**Handling procedures:**

**Recommendation for fire and explosion protection:**

**storage:**

**Requirements at storerooms and containers:**

store at a dry place;

keep away from food stuffs

**Requirements for storage with other products:**

avoid contact with acids, bases and alcohols

**Additional storage conditions:**

**Storage classification:**

**VBF-classification:**

### **8. Exposure controls/personal protection**

**Additional information for technical plants:**

**Components with limits of values to be supervised at the workplace:**

CAS-Nr.	Name	%	art	value	unit
---------	------	---	-----	-------	------

The product contains no relevant quantities of components with limits of values to be supervised at the workplace.

**Additional information:**

**Personal protective equipment:**

**General measures of protection and hygiene:**

normal hygienic measures

**respiration:**

**hands:**

**eyes:**

## Safety Data Sheet

according to 91/155/EEC

### 9. Physical and chemical properties

**Appearance**

**Form:** paste  
**Colour:** different  
**Odour:** odourless

Value	Unit	Method
-------	------	--------

**Information on change in the physical state**

**Melting point/melting range:**

**Boiling point/boiling range:**

**Flash point:**

**Autoignation temperature:**

**Danger of explosion:**

**Density:** 1.15 (20°C)g/cm<sup>3</sup>

**Vapour pressure:**

**Viscosity:** ca. 150 Pas

**pH:** neutral

**Solubility in/miscibility with:** soluble in toluene, petrol ether

**Water:** insoluble

**Content of solvents:**

**Organic solvents:**

**Water:**

**Content of solids:**

### 10. Stability and reactivity

**Incompatibility with other substances:** little evaluation of hydrogen traces by contact with acids, bases, alcohols, powdered metals and metal oxides.

**Hazardous discomposition products:**

### 11. Toxicological information

**Acute toxicity:**

**Primary irritation:**

**skin:** non toxic, no absorption

**eye:** irritating

**Sensitization of product:**

**Additional toxikological information:** During the long period of use as bite registration material no health deseases are reported.

## Safety Data Sheet

according to 91/155/EEC

<b>12. <u>Ecological information</u></b>	
<b>General information:</b>	no data known
<b>Classification of water endangerment:</b>	
<b>13. <u>Disposal consideration</u></b>	
<b>Product:</b>	
<b>Recommendation:</b>	use proper landfill disposal or incineration in accordance with local, state and federal regulations
<b>Disposal key number:</b>	
<b>Uncleaned packaging:</b>	
<b>Recommendation:</b>	
<b>14. <u>Transport information</u></b>	
not classified as dangerous goods. protect it against humidity store it away from food stuffs, acids, and bases	
<b>15. <u>Regulatory information</u></b>	
<b>Classification according to EEC-guidelines:</b>	no classification necessary to actual EEC guidelines
<b>National Prescriptions:</b>	
<b>Classification according to VbF:</b>	
<b>16. <u>Other information:</u></b>	
the above information is based on our present day knowledge and relates solely to the safety requirements of the product. The data do not signify any warranty with regards to products properties. However users of the product should satisfy themselves that the information given is sufficient and correct for their specific circumstances of use.
